Hospital Bid Is Accepted

PALO ALTO, Apr. 11—Preliminaries were under way this morning, and in about 10 days the contractor will start construction of the four-story wing which will double the present 80-bed capacity and otherwise increase the facilities of the Palo Alto Hospital.

The way was cleared for the project by the Palo Alto City Council last night when it authorized the mayor and city clerk to sign the contract with the K. E. Parker Company, of San Francisco, builder of the existing structure, for the complete job, on the basis of its bid of $212,960. To this sum will be added $12,790 to cover the architect's fee, $3000 for inspection and tests, $500 to reroute the water main supplying the hospital, and $5000 for contingencies, making a total cost of $234,250.

Thousands of acres of land in the South too poor for crops are being planted in pines for possible use in the section's paper industry.

BILLED FOR THE REDWOOD

A new co-starring team of Wallace Beery and Robert Taylor, top male name among the younger group, makes its first appearance in "Stand Up and Fight," outdoor action drama describing the bitter rivalry between the railroad and stagecoach lines of the 1850's. Comes to the Redwood Theater two days starting Sunday. On the same program is "Next Time I Marry" with Lucille Ball and James Ellison.

'Y' Committee Here Enlarged

A number of coming events were planned and the committee enlarged to give adequate representation to other areas when the Sequoia District Committee of the Young Men's Christian Association met Monday afternoon.

Secty. Thomas W. Badley reported that new members on the committee would be the Rev. Eldred J. Clark of Menlo Park, Mayor Asa Hull and Victor Gile of San Carlos, and Louis A. Barrett of Belmont. Mr. Barrett has served unofficially on the committee for some time. Cuthbert B. Currie is chairman.

The Apr. 22 "Y" Day at the World's Fair was reported on by Andrew Spinas, who said that although 155 boys from this area had registered to attend more wanted to go, so a larger quota for the Sequoia district is to be sought.

LARGER TRACK MEET

The May 12 Junior Hi-Y Track Meet, set for Sequoia High School, will be even larger than in previous years, it was reported. Clubs from San Carlos, Belmont, Redwood City, Menlo Park, Half Moon Bay and Ravenswood will compete. Rev. Charles E. Ward will serve as chairman of the committee, assisted by business men as officials. Coaches and club leaders will meet soon to work out details.

The Sports Banquet May 13 will be under chairmanship of Donald L. Bogie. The affair will climax the season of sports conducted by the "Y" for the various schools and clubs in the districts. Trophies will be awarded and entertainment emphasizing clean sportsmanship presented. Walter Mails, baseball "great," is to be invited to speak. The meeting place is yet to be determined.

COUNTY GROUP MEETS

Next Monday, the county committee will meet in the First Congregational Church in Redwood City, with the local committee as hosts, Wilbur H. Doxsee, county chairman, said that about 60 men would attend. Camp, Summer program, and the awarding of banners to the basketball champions of the "Y" league will be the main business.

Secretary Badley reported that the YMCA was now at its peak in program and activity for the year.

The Summer camp will be conducted in Memorial Park July 2-16. The quota of 130 campers is expected to be reached early, Badley said.

This week being club visitation week, committeemen were assigned to visit the 20 "Y" clubs in the district and report at the next meeting.

Fifty cents an acre more spent for good seed corn may mean an increase of 5 to 15 bushels in yield.

'MADE FOR EACH OTHER' COMING

Carole Lombard, long hailed as a comedienne, plays her most dramatic role opposite James Stewart in "Made for Each Other," which will be shown at the Fox Sequoia Theater on Sunday, Monday and Tuesday.

Jury Ideas Ignored; Woodpile Work Due

Hezekiah K. Fultz, Menlo Park, was sentenced Monday afternoon by Judge John E. Springer to do $150 worth of work on the municipal woodpile, following his conviction by a jury of driving while drunk here Mar. 17. Fultz had pleaded not guilty, declaring he was not in Palo Alto on that day.

One member of the jury recommended that Fultz be sentenced to sit on a jury seat six hours a day for six months. Another said it would be a good idea to get the jury seats upholstered. The court took these opinions under advisement.

If you want to keep it a secret, don't put it in the Want Ads.

Tribune Executive Conducting Classes

Classes in business management for advanced students at Stanford University School of Journalism are being conducted this quarter by Ray Lovett, general manager of Peninsula Newspapers Incorporated, publishers of the Tribune, Burlingame Advance and the Palo Alto Times. The class in journalism is conducted regularly by Neal Van Sooy, Azusa publisher, who was unable to teach this year because of press of business, Prof. Chilton R. Bush, journalism department head, announced.

Lovett has been actively engaged in newspaper publishing on the Peninsula for 35 years.

Celebrities Aid Chesterfield Plan

Continuation of the 1939 newspaper advertising for Chesterfield Cigarettes, just released by Liggett & Meyers Tobacco Co. for national newspapers during April and May, features more famous personalities in Chesterfield's drive to emphasize more smoking pleasure through the right combination of the world's finest cigarette tobaccos.

The Chesterfield theme is supported by such well-known screen, radio and sport stars as Bette Davis, Paul Whiteman, Errol Flynn, Olivia DeHavilland, Howard Hill, Big Bill Lee and others.

In addition to the newspapers, Chesterfield's magazine and display advertising continues to point out that Chesterfield's famous can't-be-copied blend gives smokers what they want and that every day more and more smokers are finding real mildness and better taste in the cigarette that satisfies.

In addition to this regular advertising Chesterfield continues its coast-to-coast broadcasts featuring Paul Whitman, Joan Edwards, the Modernaires and Clark Dennis on Wednesday nights and Burns and Allen, Frank Parker, Ray Noble and his orchestra on Friday nights.

HELD FOR COURT TRIAL

Kay Roberts, San Mateo, accused of stealing an automobile Mar. 31, was held to answer Tuesday after preliminary hearing before Judge Arthur Stetson in San Mateo. Roberts was arrested in San Jose for speeding a few days after leaving San Mateo. His bail was set at $1000 cash.

Ortiz Will Contest Submitted to Judge

Attorneys on Monday argued the demurrer to the Stanloes Ortiz will contest before Judge A. R. Cotton, who took the case under submission. Meanwhile, allegations that the estate of the 80-year-old Colma native exceeded $10,000 were discounted by Atty. Paul Fratessa, who witnessed the will.

According to Fratessa, Ortiz secured a large sum of money from the state 14 years ago when it purchased a portion of his property for the widening of El Camino Real. At one time, Fratessa said, Ortiz was worth $16,000. Since that time the estate has dwindled to $8000, he said.

The will, dated Aug. 19, 1933, left the entire estate to Joseph Fratessa of San Francisco. Robert J. Ortiz, a nephew, contested on the grounds of incompetency and undue influence, claiming that Joseph Fratessa was a "dummy" for his uncle, Paul Fratessa. The contestant alleged that the only heirs were himself and his sister, Mrs. Evelyn Ortiz Rosa of Stevenson, Calif.

In court this morning, Atty. Fabius T. Finch argued that the name of Paul Fratessa should be eliminated from the contest in view of the fact that he was not a beneficiary.

THEFT CHARGES DROPPED

Automobile theft charges against Lawrence Glenn Wight, San Bruno youth, were dismissed in superior court on motion of Dep. Dist. Atty. Louis B. Dematteis, who said a justice court action would be filed instead.

Probation Granted On Drug Store Theft

Clifford Richards, 35, former manager of a Redwood City drug store who pleaded guilty to charges of burglarizing the store cash register of $37, was admitted to probation for 2 years Monday by Judge Maxwell McNutt. Only condition to the probation was a suspended six-month jail term.

Frank M. West, San Mateo and Redwood City printer arrested for drunken driving with a series of prior arrests, pleaded guilty, waived time for sentence, and was sent to the county jail for six months on one of the three counts against him. Penalty on the two other counts was suspended.

Pending against West is a charge of violating probation, and a new drunk driving charge in San Mateo. West's license had been revoked for a series of prior offenses.

Trial of Frank Brown, San Francisco mail clerk accused of negligent homicide, was set for Apr. 14 by Judge McNutt.

Judge A. R. Cotton sentenced John E. Blanchard, 20, South San Francisco, to 60 days in the county jail on charges of stealing an automobile. The jail term was a condition to two years' probation. Blanchard has served 47 days, which will be credited to him.

Pomeroy Wins Post As Virginia Planner

Hugh R. Pomeroy of Chicago, formerly planning commission adviser for San Mateo, Santa Clara, Santa Cruz, Solano, Kern, Alameda and Marin Counties, has been appointed director of the Virginia State Planning Board to succeed the late Maj. C. J. Calrow.

Pomeroy, who is 40, has lately been chief of field service for the American Society of Planning Officials. He has been engaged in planning work since 1932.

His position in San Mateo County was discontinued two years ago next month by the county supervisors "in the interests of economy" and "because his work has been completed," the board stated at the time. He had been on the job here, on a part-time, $2400-a-year basis, since 1931. His work was taken over by Ronald Campbell, planning commission engineer.

The annual value of garden vegetables grown for home use in North Carolina is estimated at $9,631,011, said to be the largest of any state.

Girl, 17, Asks Divorce From Folsom Inmate

A disillusioned bride of 17 has appealed to the superior court for annulment of her marriage to a mate who not only failed to provide for her, but refused to give up a life of crime and was sent to Folsom, according to her complaint.

The plaintiff is Phyllis Rader, who said her husband, Robert, convinced her and her parents that he would give her a home, an automobile, and a life of comfort. He had been convicted of various crimes, she states, but promised to lead an honest life. They were married in Redwood City Aug. 13, 1937.

According to the complaint, however, Rader had no assets, was unemployed, and was without funds to provide lodgings on their wedding night, forcing her to sleep in their automobile. He deserted her Oct. 19, 1937, and is now in Folsom, the complaint says. Her attorney is William A. Finger.

Identification Sought of Body

Fingerprints were taken here in an effort to establish identification of the elderly itinerant who was found dead of a heart attack late Saturday in front of an old building at La Honda where he had slept the night before, never to awaken.

Dep. Coroner Lewis E. Franklin said that the man had been seen the day before at La Honda. He was found to have a wallet containing 1 cent in his pockets, but no identifying papers. He had food with him, however, and a roll of bedding.

About 70 years of age, 5 feet 10 inches tall, the man was dressed in a brown coat and vest, black shirt, blue jeans, work shoes, and wore a pair of gold-rimmed glasses. He had thin, gray hair.

The ambulance service of New York City was organized in 1870.

Hospitals Selected For Health Service

Contract agreements with the three great non-profit hospital associations of California were reported today by California Physicians' Service, clearing the way for prompt presentation to the public of a voluntary, low-cost, monthly prepayment plan for medical, surgical and hospital care.

The three hospital associations are the Intercoast Hospitalization Insurance Association, with headquarters in Sacramento; the Insurance Association of Approved Hospitals group in and surrounding the San Francisco Bay area and the Associated Hospital Service of Southern California, with headquarters in Los Angeles. Included in this setup are Mills Memorial and Palo Alto hospitals on the Peninsula.

Formal signing of the contracts agreed upon was set for this week and the next step in the plan of the licensed doctors of medicine in California to enable employed and other groups to secure medical, surgical and hospital care by the doctors and hospitals of their own choice will be signing of contracts with the groups of patient, or beneficiary, members.

CHINESE GAMBLER FINED

SAN MATEO, Apr. 12 — Chan Wing, game keeper, was fined $100 by Police Judge A. H. Stetson yesterday. Bail of $10 each posted by four visitors to Wing's place, which was raided Saturday, was forfeited. Jack Seifred, accused of possessing a slot machine, was fined $100 also.

EXPOSITION REVIVES FINE ART OF OLD-TIME EXCELLENT COOKERY

Pierre, master chef of Treasure Island's famed Cafe Lafayette, places the art of eating on an International basis. His French dishes have won him fame in most of the capitals of Europe, but he makes coffee the good old American way. Pretty Peggy Lyle, above, the cafe's hat check girl, helps him prepare the coffee urn with M·J·B Coffee to brew a beverage that will delight any connoisseur.

It took the most modern thing in the West—the Golden Gate Exposition—to bring back to old time excellence one of the greatest arts of the Pacific.

There's something going on in the cafes at this colorful World's Fair that's enough to make bygone generations that dallied with delicate ices at San Francisco's famous "Poodle Dog" cafe or toyed with truffles at the "Techau Tavern" turn over in their graves and lick their chops.

It's a revival of the great art of delicate eating and, if you don't already know it, it's time now that you did.

In the famous "Cafe Lefayette" on Treasure Island, for example, epicures who had sworn the fine art of eating was a lost cause and had resigned themselves to sorrow and dyspepsia, have made sudden recoveries in health and disposition that no physician could effect.

For an appetite thrill just look at some of these mouth watering dishes, selected at random from this famous French cafe's menu: gelatine of capon, goose livers with capon, fresh mushrooms boiled in cream, English lamb chops with glazed pineapple, clear green turtle soup, the inevitable crapes suzette, or thin sweet pancakes, and dozens of other delicacies.

With a reputation established on two continents to uphold, it was natural that the matire d'hotel, Albert, and his master chef, Pierre Carle, should go to the greatest of pains in selecting a brand of coffee in keeping with this ever-increasingly popular French cafe. After carefully considering and taste-testing every available blend of coffee, they unanimously chose M.J.B. Coffee exclusively.

In the words of both Albert and Pierre, "Poor coffee is something for which we could offer no excuse to our American gourmets and lovers of fine foods. Therefore, we chose what we believe to be the best American blend, M.J.B., which means the best of all blends of coffee."

Guest at R. C. Home Stricken

Easter at the home of Mr. and Mrs. Fred W. Hawkins, 1654 Union St., Redwood City, was saddened Sunday when a house guest, George Preston Doney of Monterey, was stricken with a heart attack as he prepared for breakfast at 9:20 a.m. and passed away before a doctor could reach him.

Mr. Doney's wife, Cora, and Mrs. Hawkins are sisters. The Doneys had come from Monterey to spend Easter with their Redwood City relatives.

Mr. Doney, who was 61, was a janitor in the Monterey schools. He leaves a son, Marvin, of Los Angeles; a brother, W. C. Doney of Pacific Grove, and a sister, Mrs. Mabel C. Miller, Sacramento.

Large Cast, Novel Costumes Unusual Settings for Play

Variety Due On Saturday

With a cast of 35, unique clerical costumes, four different settings, contrasting and unusual scenes, and incidental music by members of the West Bay Symphony Orchestra, Saturday night's presentation at Sequoia High School by the Redwood City Community Players will offer just about everything that playgoers could desire, in opinion of officers of the organization.

Portraying the role that Al Shean, of Gallagher & Shean fame, made memorable on the New York stage in 1938, Milton Abbott, an experienced actor, will appear in "Father Malachy's Miracle" as the amiable priest responsible for a modern miracle.

Other important parts are taken by Henry Kalteren, as Robert Gillespie, Scotch bishop; Julio Francescutti, as Father Flaherty; Francis Hutchinson, as Canon Geoghegan; Mrs. C. S. Gabert as Annie, parish housekeeper; Robert Bettencourt, as Cardinal Vassena; Stanley Horne, as Rev. Humphrey Hamilton; Viola Pertula as Peggy McNab; Mrs. Earl Christenson as Winnie Gideon, chorus girl; Mrs. Charles Paine as Nessie McIntosh; George McCarron, as Andrew.

'INTERESTING CONTRASTS'

According to Director Claude van Patten, the play is one of "interesting contrasts."

"In the first place," he declared, "there is the startling contrast between Father Malachy, a Benedictine monk just out of a monastery, and Gertie Gill, a torch-singer from the local night club. We find sheriffs, bartenders, and cafe society set off against a cardinal, a bishop, and other members of the clergy. Then, too, the worldliness of certain characters is matched by the spiritual qualities of others. Even the hard-boiled theater-goer is bound to be caught by the whimsical notion of a modern miracle in a realistic 20th century setting."

PLOT TOLD

The plot evolves around the unworldly monk who believes so strongly in miracles that he performs one when his faith is challenged. He kneels in the street, prays, and the "Garden of Eden," a wicked dance hall and its occupants all sail away from Edinborough and land on a rocky island some 20 miles away. Then the life of the quiet priest becomes a bit complicated.

Final rehearsals have been in progress this week.

The play starts at 8 p.m. Admission price is 40 cents for adults, 15 cents for children, including high school students. Tickets are on sale at Lock's Drug Store and at the high school.

'MIRACLE MAN'

Milton Abbott will portray the part of Father Malachy in "Father Malachy's Miracle" to be presented Saturday night at 8 o'clock at Sequoia High School by the Redwood City Community Players.

San Carlos Couple Recover From Hurts

SAN CARLOS, Apr. 11 — Mrs. George Phelps, 1551 Easton Ave., was in a Gilroy hospital today recovering from a broken collar bone and broken ribs as the result of an automobile accident on the Pacheco Pass road last Saturday, while she and her husband were en route home from a business trip to Arizona.

Mr. Phelps received cuts and bruises when he swerved to avoid hitting a truck and his car struck a soft shoulder and overturned.

Connell Transferred To Veterans' Hospital

Wilfred A. Connell, who suffered a broken leg and other injuries Sunday night when struck by an automobile on Main St., was transferred Monday from Mills Hospital to Fort Miley Hospital, where it is expected he will be required to remain several months. During his absence, Mrs. Connell plans to continue operation of their garage at 450 Main St., having employed a mechanic to replace her husband.

'Cupid' of Clerk's Office Plans To Wed

Miss Florence Rancatore, deputy county clerk one of whose duties is writing notices of intention and marriage licenses for the matrimonially-minded couples, appeared at the office Wednesday with a tell-tale blue-white on the proper left hand finger.

Questioned by reporters, she admitted the identity of the lucky man to be Miguel Yriberri, San Francisco bookkeeper, but said no date had been set for the wedding.

The bride-to-be is the daughter of Mrs. Minnie L. Rancatore of Daly City. She merely blushed when asked if she herself would fill out the notice of intention.

Classes Resumed By Public Schools

Some 20,000 school children returned to schools in San Mateo County Monday as Easter holidays came to an end. It is the last holiday for Redwood City students until May 30.

School closes here June 16.

At San Francisco teachers were attending teachers' institute, and students got an extra day of vacation.

Owners Flay Bayshore Plan

It took the Redwood City Planning Commission just 10 minutes Tuesday to give satisfaction to more than 50 residents and property owners of Central Park on the matter of rezoning the area from a second to first class district.

Action taken by the commission was the calling of a public hearing on the matter for May 8, to be held in the courthouse.

The commission included two written petitions, involving property owners in the area bounded by Jefferson Ave., Myrtle, Grand and Katherine Sts., and an oral petition by W. E. Bresch to include the property up to Fulton Ave., in the area in Central Park which will be up for consideration.

THOUGHT WERE IN FIRST

Arthur H. Morgan Jr., one of the petitioners, explained that the reason for the rezoning request was that most of the property owners in the area were under the impression when they bought the property that it was in the first residential district. Not until two weeks ago, he said, when construction of a multiple residence got under way, did the property owners realize such was not the case.

City Atty. Albert Mansfield said notification of public hearing will be sent to all property owners in the area up for rezoning and within 275 feet of the area affected.

The matter of 30-foot property setbacks on Bayshore Hwy. was taken under advisement by the commission "for the time being" after nine property owners unanimously expressed opposition to the plan.

EXPLAINS PURPOSE

A. W. McCurdy of San Francisco, assistant district highway engineer, explained that the purpose of the setback is to prevent construction within 30 feet of the present right-of-way in order to facilitate future widening of the highway.

It is the plan, within the next several years or as soon as necessary, McCurdy pointed out, to construct a super road of three lanes and a separate service road on each side of the highway, with a dividing line in the middle.

In an off-the-record discussion several members of the commission agreed that the only possible course would be to establish the setback in order to conform with future building plans.

MENLO PARK NEWS NOTES

ROYALTY HERE

MENLO PARK, Apr. 14—Many local residents gathered on the highway Saturday afternoon to see and cheer Crown Prince Frederik of Denmark and his wife, Princess Ingrid, as they passed through Menlo Park on their way to San Francisco. The princess is beautiful, blonde, bewitching and beloved, not only by her people but by all who know her. The fact that her ancestors came from Ireland a century ago to settle in Denmark may account for her extreme beauty and delightful Irish manner.

While attending the reception of Crown Prince Frederik and his wife, Princess Ingrid, at Palo Alto Saturday Hans M. Agaard was relieved of his purse by a pick pocket. Mr. Agaard did not discover his loss until he reached home. He knew the royal family well. His father's estate adjoined that of the ancient ancestral lands of the king.

James W. Mansfield, who passed away at his desk in Thoit's Shoe Store, Palo Alto, Tuesday morning, was well-known in Menlo Park. Mansfield was one of the founders of the store and for over 30 years waited on Menlo Park customers. He was beloved for his courtesies and kindness to his patrons.

Sunday morning Miss Carmel O'Keefe sponsored an Easter egg hunt on Oak Grove Ave. for the children of the neighborhood. Prizes were won by Marsha Gainer, Patricia Taylor and Joe McGucken. After the hunt Miss O'Keefe gave the youngsters ice cream and cake and later they tripped home with baskets well-filled with candy and little bunnies.

Ex-Chief Thomas Cuff of the Menlo Park Fire Department visited friends here during the week. His wife and family are staying with relatives in Berkeley. Mr. Cuff is on a leave of absence from the local department while in charge of a department in a large city in Idaho.

Miss Meta Kugeler has put in a new sprinkling system on her property on Oak Grove Ave. for the benefit of a lawn just planted. This system is now being used in many local gardens.

A marriage license was issued in San Francisco Monday to Joseph Graham and Mrs. Leah Lampard, both of Redwood City. The bride-to-be is pretty and is the daughter of Mr. and Mrs. Elmer Carter of Menlo Park and sister of Mrs. George Angus of Atherton.

Miss Mary Thomas, niece of Mrs. W. H. Weeden and cousin of Isabelle Lindquist, announced her engagement to Joseph Branco at a birthday party given in her honor by Miss Viola Huckaley in Monterey Monday evening.

Miss Thomas attended Sequoia when she resided in Menlo Park. She graduated from Pacific Grove High School with the class of 1933 and from Fresno State in 1936. Since then she has been secretary to Walter Snook, contractor and architect of Monterey and Felton Gables. She is the sister of Mrs. Tilden Anfinsen of Chico, Paul Thomas of the Matson Co. and Charles Jr. of Monterey.

Mr. Branco, the son of Mr. and Mrs. Anthony Branco of Merced, is a graduate of the College of the Pacific in Stockton. His sisters, Mrs. Malcolm Beavers and Miss Rose Branco, reside in Merced. He is manager of the Purity Stores in Monterey and after their marriage Mr. Branco and his bride will make their home in Monterey.

Miss Mary Thomas of Monterey visited her aunt, Mrs. W. H. Weeden, this week.

Mrs. Carroll A. Devol is planning a card party to be given at her home "Missola" on Santa Cruz Ave. in the near future. Proceeds will be turned over to the St. Joseph's gymnasium fund.

Last Saturday afternoon Eddie Joe Derry celebrated his seventh birthday by giving a party at the home of his parents on Laurel St. to his classmates at St. Joseph's School. The tables were decorated with Easter bunnies and chickens. During the afternoon an Easter egg hunt was held and prizes were won by Jimmy Doherty, Shirley Johnson, Donald DePaoli. Ice cream and cake were served during the afternoon and movies were shown the children. The following children enjoyed the festivities: Helen Bourn, John Curran, Donald DePaoli, James Doherty, Robert Farrens, Brian Fottrell, Douglas Longwell, Robert Mangold, Charles McDonald, Robert McLoughlin, Joan Marie Murray, Dorothy Rowe, Billy Joe Payne, Margaret Steinberg, Ralph Zanetti, Louis Ledesma, Darlene Styles, Dick Styles, Shirley Johnson, Robert Hart, Richard Roach, Joan Derry, Jackie Fisher, Nancy Derry, Gail Derry, Danny Derry and Jimmie Derry.

On Tuesday evening Menlo Parlor NDGW initiated new members. Miss Victorene Boetto presided. Mrs. Martha Bernasque, deputy grand president to Menlo Parlor, was an honored guest. The officers made a pretty picture in pastel formal dresses. Mrs. Louise Murray was soloist during the initiatory work. After the meeting refreshments were served at tables decorated with Spring flowers. Mrs. Geneva Pastorini, Mrs. Marie Rogers and Miss Dorothy Bush were the new members initiated.

Civil engineering students have surveyed part of the Tulane University campus more than 500 times during the last 18 years, driving approximately 16,000 stakes in the campus sod.

Two Fires Put Out By Local Department

Firemen were called out to extinguish two fires Wednesday afternoon and evening, the first a mattress blaze at 18 Diller St. at 4:49 o'clock and the second a coal oil fire near a pile of lumber at Broadway and Walnut St. at 7 p.m.

The mattress fire apparently was started by a cigarette, firemen said. Smoke and water damage did not exceed $50, it was estimated.

The fire near the lumber pile started from a flare which tipped over and spread oil in a large patch on the street. No damage occurred.

Butano Hearing, Set for Tuesday, Will be Delayed

Hearing on the formal agreement to purchase Butano forest, scheduled by the board of supervisors for next Tuesday, will be delayed, according to Asst. Dist. Atty. Daniel E. Sullivan.

Sullivan explained here that his office had not been provided with the three essentials to the proposed agreement:

1. A legal description of the property to be purchased.

2. Name of the individual from whom it is to be purchased.

3. The price to be paid.

Sullivan pointed out that all the board of supervisors had furnished him was a map prepared by County Engineer M. A. Grant dividing the 3140-acre Butano forest into 15 parcels of approximately equal commercial value.

DESCRIPTION NEEDED

The board, he said, must designate what parcel it proposes to purchase first, and must provide a metes and bounds description of the parcel as well as the names of the owners before the formal hearing may be held.

While Sullivan said the delay would have little bearing on the ultimate agreement, it was believed the technical requirements might produce obstacles. To date, he pointed out, the only document of record is a resolution of intention to enter into an agreement with Stanford University as the representative of the several owners of the property. The resolution of itself is of little importance, he declared.

Since Stanford University does not actually own the land to be purchased, the county must make its purchases directly from the present owners or the title must be transferred to the university.

$20,000 ANNUALLY

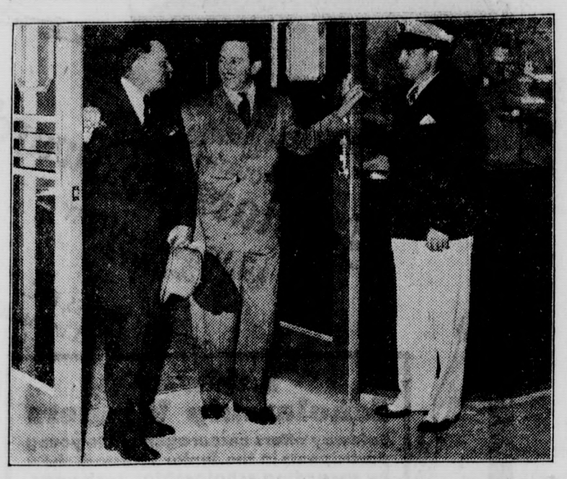
Under the terms of the resolution, the county proposed to enter into an agreement with the university for the purchase of the entire tract over a period of 16 years, paying $5000 this year and $15,000 next year for the first of 15 parcels, and $20,000 annually thereafter for each succeeding parcel.

Sullivan explained that each annual purchase would perpetuate an option on the entire property.

Efforts to induce the county to save the Butano from loggers received widespread support from civic organizations, but County Executive Frederick Peterson and a group of his supporters argued that the purchase should be made by the state or national governments rather than by the county.

The tract of land is in the Pescadero Creek basin east of Memorial Park and west of Shrine Grove.

DISNEY ATTENDS EXPOSITION PREVIEW



Shown leaving the preview of "Mickey's Surprise Party" at the National Biscuit Company "Little Theatre" on Treasure Island are S. W. Rodda, Regional Sales Manager, and famed animator Walt Disney, creator of the film which is drawing record-breaking crowds to the Foods and Beverages Building at the Golden Gate International Exposition.

Dr. Otis Quits Band Position

Dr. R. Lee Otis, Redwood City optometrist, announced here that press of business had forced him to resign the directorship of the Redwood City Municipal Band, which he formed in August, 1937, and has led continuously since.

Dr. Otis' resignation was submitted to City Manager C. L. Dimmitt, since the band is now under city sponsorship.

Until the city council names a new director the band will carry on under Bernard McCann, who has been assistant to Dr. Otis and has led the band on several occasions including last Sunday at the Easter Sunrise Services. The directorship is a non-salaried position.

Dr. Otis, who has offices both in Redwood City and in San Francisco, expressed regrets at resigning, but said that he would be available at any time to aid the band in any manner he could.

The band has 30 uniformed members, and has played on a number of occasions, giving public concerts in Redwood City and appearing at functions in other cities.

Approval Is Given Star's New Contract

Billy Cook, $200-a-week moving picture performer, and his guest and "stand-in," Bobby Rhein, appeared before Judge A. R. Cotton on Monday to hear the court approve Billy's new six-month contract with Paramount. Petition for the approval was filed by Cook's father, Lawrence, Menlo Park engineer.

Brisbane District Is Sued Over Truck

Whether or not the Brisbane Fire District will purchase a fire truck from P. E. Van Pelt of Oakdale under terms of a contract signed by the district commissioners and subsequently nullified by the board of supervisors after a grand jury investigation will be determined by the superior court, according to Atty. Edmund Scott, counsel for Van Pelt, who Monday sued for $750 which he claims was due him Jan. 1 on the lease contract.

The contract, which called for $750 annual rent ending in purchase by the district, was nullified when it was discovered the voters had not authorized a tax to pay for the purchase. The complaint not only asks for the money, but for a ruling on Van Pelt's rights under the contract.

Ball Field Set for M. P.

MENLO PARK, Apr. 12—With nine acres of new land belonging to the city of Menlo Park as the result of final approval of the acquisition of the O'Dea tract by the San Mateo County Board of supervisors, the city council last night took action to provide Menlo Park with recreational facilities.

Two motions concerned with development of the nine acres of property, now annexed to the city and without legal encumbrance, were passed by a three-man city board which convened without the services of Capt. Hugo May and Harry J. Lusk.

First was the authorization empowering City Engineer Edwin Smith to have the grass removed on a selected site and the ground graded in preparation for a baseball diamond. Second was the authorization given Mayor J. E. Cooper to look into the costs of a drinking fountain, baseball backstop, and comfort station for athletes who will use the new ball field.

SITE SELECTED

Engineer Smith told the council an appropriate site for the diamond had been selected by Councilman May and himself, while the Pacific Gas and Electric Co. has also been spoken to regarding the establishment of lighting facilities at the field for night baseball.

"I believe a softball team is a great advertising asset to Menlo Park, and suggest that if it is possible, night equipment be obtained," Councilman Henry Carroll declared. Mayor Cooper informed the council $200 to $300 is available for recreational improvement.

TEMPORARY MEASURE

A discussion regarding the grading of streets in Menlo Park for future development of sidewalks ended in a motion instructing the city engineer to establish a grade for a sidewalk along Menlo Ave. between El Camino Real and University Dr. The grade and lines will include permanent physical markings as well as a written record to be filed in the engineer's office.

"We understand this is only a temporary measure, and that a permanent ordinance regarding establishment of grades is the proper solution," City Atty. James T. O'Keefe Jr. told the council.

R. C. Toastmasters Resume Sessions

Redwood City Toastmasters Club, the YMCA-sponsored speech-teaching organization, resumed its sessions this week after the Easter holidays with talks being given by Max L. Gelber on "The Bear Went Over the Mountain;" James P. Hagan, "The Evils of Misinformation;" Robert Bristow, "Bunco;" P. M. Williams, "Mother Nature Speaker;" William Henderson, "Realism or Idealism." Dr. Rollo O. La Berge was chairman. Sessions are held Mondays at 6 p.m. in the First Methodist Church social hall. Under auspices of the Sequoia Adult Evening School, the club is open to any men interested in learning to speak.

The death rate in the Metropolitan area of New York is falling for pneumonia, tuberculosis, accidents and childbirth, and rising for heart disease, cancer and diabetes.

Couple Visit World's Fair

Following a welcome at Palo Alto, a fast trip over the Peninsula, and a round of activity in San Francisco, handsome Crown Prince Frederik and pretty Crown Princess Ingrid of Denmark were shown the World's Fair on Treasure Island Monday as admiring throngs, including many natives of Denmark, paid them homage.

Among those attending the exposition to give a royal welcome to their royal highnesses were Mayor and Mrs. Louis C. Christensen of Redwood City.

When the couple, with their entourage, disembarked from the train at Palo Alto Saturday night, they were greeted by a small crowd, several policemen, photographers, and 12-year-old Evelyn Krogh, daughter of a Palo Alto Danish couple, who presented the prince and princess with a bouquet.

Met by Alex Aporon-Fiedler, Danish consul, and his wife, the royal party was hustled into automobiles, driven through the Stanford campus, then through Atherton, Redwood City, San Carlos, Belmont, San Mateo, Burlingame and Millbrae, where they cut over to the Skyline to make their entrance to San Francisco.

At request of the prince, who reportedly likes speed, the Peninsula drive was made at better than 60 miles an hour, escorted by state officers. Local police departments were not required to furnish escorts.

AMMONIA BANDIT SENTENCED

SAN FRANCISCO, Apr. 13 (AP)—Henry Elberg, 40, bespectacled ex-convict who wielded an ammonia-squirting syringe in a San Jose holdup last week, was sentenced to five years to life in San Quentin prison yesterday on a previous robbery charge here.

'Profit Removed' From Flower Thefts

Determined to take the profit out of illegal picking of wild flowers, shrubs and greens, Judge Edward I. McAuliffe has fined each of three Colma nursery employes $25. The trio, Angelo Lucchesi, 20; George Bublies, 25, and Joseph Matteucci, 17, were arrested at La Honda Summit Tuesday by Peter Pellegrini, deputy fire warden, who charged they were taking quantities of Solomon Seal from private property.

Judge McAuliffe, in imposing the fine, told the youths he intended to make the illegal picking of wildflowers so unprofitable that the widespread commercial practice would stop.

Here's a Suggestion For a Quickie Food

How many surprise calls for food do you get each day? Ever hear these?—"Mom, I'm hungry; can't I have somp'en to eat before lunch? It's a whole hour yet, I betcha!" or, "Gee! I'm tired of bread sandwiches in my lunch; can't you give me something different?" or, "Hello? That you mother? I'll be home at four. I'm bringing some of the gang with me." (Just a subtle hint).

Maybe you have been confronted by this situation—unexpected guests who insist on staying when you have prepared nothing to feed them. Or, the invited guest who can't eat rich foods or drink coffee at night.

Yes, it's enough to make you want to jump into the nearest body of water over three feet deep. But don't despair — Honey Maid Graham Crackers and fresh milk to the rescue! These delicious and wholesome golden brown squares with a glass of ice cold milk are the answer to each of these questions and many more.

This healthful combination is excellent for Junior's mid-morning request, it fills the cavity, gives quick energy, and helps build strong bodies—but doesn't spoil his appetite for lunch.

Crunchy Graham Cracker sandwiches with milk are an easy-to-fix, easy-to-eat, nutritious addition to any lunch box.

Hubby, too, will thank you for the easily digested dessert of Honey Maid Grahams, spread with chocolate butter frosting and served with a cold glass of milk or maybe ice cream.

Bad Check Evidence Wins Woman Divorce

John J. Moyles, disabled East Palo Alto war veteran who will be tried on check charges Apr. 18, was divorced here on much the same evidence which will be used against him in the criminal case. Mrs. Margaret Ethel Moyles alleged that her husband was released from jail July 2, became intoxicated and wrote bad checks for which he was jailed again. She claimed he beat her each time he drank to excess.

Richfield Schedules Newspaper Campaign

According to W. T. Dinkins, vice president and general sales manager for the Richfield Oil Corp., his company will enter upon one of the largest newspaper campaigns in Richfield history.

Two hundred thirty western newspapers will be used to tell the public of the 11 western states the new Hi-Octane story. Large dominating advertisements will be released approximately April 22.

According to Dinkins, newspaper advertising will be the backbone of the campaign.

It is understood that this campaign will announce the introduction of a new motor fuel. Although no official statement has been made in regard to the character of the new product, it is believed that the company is prepared to offer the motoring public a new, more powerful gasoline which is entirely new to the petroleum business. It is understood that the construction of the new Richfield refinery has made this new development in gasoline possible.

Vacancies in CCC Reported in County

Miss June Mahon, CCC selecting agent for San Mateo County, announces that there are still a few places to be filled in the county quota for the April CCC enlistment. Any boys between 17 and 23 who are unemployed and in need of employment and who are not registered in school, are eligible for camp placement. Those interested should file their applications at the State Relief Administration office, 430 Peninsula Ave., San Mateo. Enlistment terms are six months.

CHILD, 5, EATS POISON

Virginia Asby, 5, of 239 Vera Ave., Redwood City, was back at her home today after having her stomach pumped out at Community Hospital Tuesday afternoon after eating a disinfectant tablet which her grandfather, W. S. Lincoln, had laid on a table while he left the room to get some water with which to wash a scratch on the child's hand.
